

DO NEW MEDICAID HUSKY D WORK RULES APPLY TO YOU?

New Work Reporting Rules Start
January 1, 2027

Because of new federal Medicaid rules, some people with HUSKY D will soon have new work rules.

Starting January 1, 2027, to keep your HUSKY D coverage, you may need to show proof that you:

- Work, and/or
- Go to school, and/or
- Volunteer or do community service, or
- Cannot work

Work rules start January 1, 2027.

When you need to start reporting will depend on your situation.

Not everyone is affected. More information is coming.

If the changes apply to you, you will receive information from the Department of Social Services. DSS may also ask you to provide information showing that these rules do not apply to you. It's important to make sure your contact information is up to date to get these updates.
